

Simple Meadow Bayscape - 60 square feet (contained in 11.5 x 6.5 foot area)

Scale: 1 inch = 3 feet

Average Spacing between Plants

Refer to plant nursery tags and adjust as needed

Shrubs = 30"	Grasses = 18"	Perennials = 9-12"
--------------	---------------	--------------------

2 cubic feet of mulch covers ~12 square feet of the garden

Consider adding a rain barrel to enhance your conservation landscape.

Simple Meadow Bayscape - 90 square feet (contained in 14.5 x 9 foot area)

Scale: 1 inch = 3 feet

Consider adding a rain barrel to enhance your conservation landscape.

Average Spacing between Plants

Refer to plant nursery tags and adjust as needed

Shrubs = 30"	Grasses = 18"	Perennials = 9-12"
--------------	---------------	--------------------

2 cubic feet of mulch covers ~12 square feet of the garden

Simple Meadow Bayscape - 120 square feet (contained in 17 x 10.5 foot area)

Scale: 1 inch = 3 feet

Consider adding a rain barrel to enhance your conservation landscape.

Average Spacing between Plants

Refer to plant nursery tags and adjust as needed

Shrubs = 30"	Grasses = 18"	Perennials = 9-12"
--------------	---------------	--------------------

2 cubic feet of mulch covers ~12 square feet of the garden

Simple Meadow Bayscape - 180 square feet (contained in 21 x 12.5 foot area)

Herbaceous Perennial x14
(in 4 clusters)

Grass/Sedge/Rush x13
(in 3 clusters)

Herbaceous Perennial x14
(in 4 clusters)

Grass/Sedge/Rush x15
(in 3 clusters)

Grass/Sedge/Rush x14
(in 4 clusters)

Consider adding a rain barrel to enhance your conservation landscape.

Scale: 1 inch = 3 feet

Average Spacing between Plants
Refer to plant nursery tags and adjust as needed

Shrubs = 30"	Grasses = 18"	Perennials = 9-12"
--------------	---------------	--------------------

2 cubic feet of mulch covers ~12 square feet of the garden

Butterfly Garden Bayscape - 60 square feet (contained in 11.5 x 6.5 foot area)

Scale: 1 inch = 3 feet

Consider adding a rain barrel to enhance your conservation landscape.

Average Spacing between Plants

Refer to plant nursery tags and adjust as needed

Shrubs = 30"	Grasses = 18"	Perennials = 9-12"
--------------	---------------	--------------------

2 cubic feet of mulch covers ~12 square feet of the garden

Butterfly Garden Bayscape - 90 square feet (contained in 14.5 x 9 foot area)

Scale: 1 inch = 3 feet

Consider adding a rain barrel to enhance your conservation landscape.

Average Spacing between Plants

Refer to plant nursery tags and adjust as needed

Shrubs = 30"	Grasses = 18"	Perennials = 9-12"
--------------	---------------	--------------------

2 cubic feet of mulch covers ~12 square feet of the garden

Butterfly Garden Bayscape - 120 square feet (contained in 17 x 10.5 foot area)

Scale: 1 inch = 3 feet

Consider adding a rain barrel to enhance your conservation landscape.

Average Spacing between Plants
Refer to plant nursery tags and adjust as needed

Shrubs = 30"	Grasses = 18"	Perennials = 9-12"
--------------	---------------	--------------------

2 cubic feet of mulch covers ~12 square feet of the garden

Butterfly Garden Bayscape - 180 square feet (contained in 21 x 12.5 foot area)

Scale: 1 inch = 3 feet

Consider adding a rain barrel to enhance your conservation landscape.

Average Spacing between Plants
Refer to plant nursery tags and adjust as needed

Shrubs = 30"	Grasses = 18"	Perennials = 9-12"
--------------	---------------	--------------------

2 cubic feet of mulch covers ~12 square feet of the garden

Woody Screen Bayscape - 60 square feet (contained in 11.5 x 6.5 foot area)

Scale: 1 inch = 3 feet

Consider adding a rain barrel to enhance your conservation landscape.

Average Spacing between Plants
Refer to plant nursery tags and adjust as needed

Shrubs = 30"	Grasses = 18"	Perennials = 9-12"
--------------	---------------	--------------------

2 cubic feet of mulch covers ~12 square feet of the garden

Woody Screen Bayscape - 90 square feet (contained in 14.5 x 9 foot area)

Scale: 1 inch = 3 feet

Consider adding a rain barrel to enhance your conservation landscape.

Average Spacing between Plants

Refer to plant nursery tags and adjust as needed

Shrubs = 30"	Grasses = 18"	Perennials = 9-12"
--------------	---------------	--------------------

2 cubic feet of mulch covers ~12 square feet of the garden

Woody Screen Bayscape - 120 square feet (contained in 17 x 10.5 foot area)

Scale: 1 inch = 3 feet

Average Spacing between Plants
 Refer to plant nursery tags and adjust as needed

Shrubs = 30"	Grasses = 18"	Perennials = 9-12"
--------------	---------------	--------------------

2 cubic feet of mulch covers ~12 square feet of the garden

Consider adding a rain barrel to enhance your conservation landscape.

Woody Screen Bayscape - 180 square feet (contained in 21 x 12.5 foot area)

Scale: 1 inch = 3 feet

Consider adding a rain barrel to enhance your conservation landscape.

Average Spacing between Plants

Refer to plant nursery tags and adjust as needed

Shrubs = 30"	Grasses = 18"	Perennials = 9-12"
--------------	---------------	--------------------

2 cubic feet of mulch covers ~12 square feet of the garden

Flowering Tree Focal Point Bayscape - 60 square feet (contained in 11.5 x 6.5 foot area)

Consider adding a rain barrel to enhance your conservation landscape.

Scale: 1 inch = 3 feet

Average Spacing between Plants

Refer to plant nursery tags and adjust as needed

Shrubs = 30"	Grasses = 18"	Perennials = 9-12"
--------------	---------------	--------------------

2 cubic feet of mulch covers ~12 square feet of the garden

Flowering Tree Focal Point Bayscape - 90 square feet (contained in 14.5 x 9 foot area)

Scale: 1 inch = 3 feet

Consider adding a rain barrel to enhance your conservation landscape.

Average Spacing between Plants
Refer to plant nursery tags and adjust as needed

Shrubs = 30"	Grasses = 18"	Perennials = 9-12"
